Summer Internships
SyQic Ltd.

SyQic is a multinational company headquartered in Singapore with offices in Malaysia, the Philippines, Indonesia, and London.

SyQic specialises in the delivery of media content and a selection of international live TV channels to mobile devices globally. Through the mobile app called 'Yoonic', SyQic offers a vibrant mix of live and on-demand content including movies, documentaries, music, and TV series to migrant and diaspora communities around the world.

SyQic is offering up to four summer internships to Aber students or recent graduates in Computer Science. The placements will be based in London and Malaysia. SyQic will provide accommodation and allowances to successful candidates in both London and Malaysia, inclusive will be flight costs to Malaysia.

What competencies are we looking for on the internship programme?

We are looking for people who can demonstrate a good working knowledge of one or more of the following technologies:

- Mobile App Development (iOS and Android)
- Website Development (XHTML, HTML5, CSS, Javascript and Ajax)
- Java and J2EE
- PHP
- Drupal
- Web Services (REST and SOAP)
- Database Technologies (POSTGRES, MYSQL)
- Video Streaming Technologies (RTSP, HLS)

Candidates should be able to demonstrate:

- Strong interpersonal skills, including an ability to communicate in a technical and non-technical environment
- Ability to work in small teams as well as to use initiative when required
- Proactive in tackling new challenges and learning new technologies to solve problems
- Effective analysis, design and documenting skills

The closing date for applications is **Wednesday 12 June at 5pm**

To qualify, applicants should either be completing their second or final year of a first degree, undertaking postgraduate studies in a relevant discipline, or be a recent graduate. Applications, in the form of a CV with a covering letter, should be made to careers@aber.ac.uk Current students will be subject to referral to the applicant's academic department prior to shortlisting.

Shortlisted candidates will be interviewed on 2oth June at Aberystwyth. Skype conferencing will be considered as an option for candidates no longer based in Aberystwyth. The Internship Programme will start at the end of June with a maximum duration of three months.

Interns who perform exceptionally well on the programme will be offered permanent positions within the company.
