

WORK | EXPERIENCE | DISCOVER

This was one of the greatest experiences of my life. It has made me a happier, wiser and more experienced person.

Christopher Scott
Civil Engineering, Cardiff University,
placement in Hungary.

Transform your future this summer with an international traineeship with IAESTE

- gain paid work experience with employers from six weeks to one year
- learn cutting-edge techniques from leading research institutes, consulting firms and laboratories
- make your CV shine with technical knowledge
- discover new cultures and boost your confidence.
