

Application for IAESTE placements abroad in 2015 is now open to students in Wales.

Students can now apply at <http://www.britishcouncil.org/iaeste>

IAESTE provides salaried, course-related, global work experience opportunities for science, engineering, technology and applied arts undergraduates for both short and long term periods (6-52 weeks) in their specialised field, up skilling UK undergraduates for work in a global economy and sharing research perspectives worldwide.

Please be advised that the Application Process has changed this year and that clear instructions are provided on the Application webpage: <http://www.britishcouncil.org/iaeste/students/outgoing-uk-trainees/apply> . If you have any questions around the changes please get in touch. Online Q&A sessions on the Application Process and for general enquires will also be provided for students interested in applying, we will send further information on how to join these closer to the time.

Please would you help us by forwarding and sharing the following information to relevant students and departments:

- 1) The IAESTE student flyer attached which provides an overview of the opportunity. It only takes a few minutes for students to click on the link and apply to the programme
- 2) Also attached an IAESTE poster which may be useful to display.

Full information on promoting to your students and events / fairs we are attending are also available on our website:

<http://www.britishcouncil.org/iaeste/universities/promote-students>

Many thanks for your continued support for the programme and please contact Anca Martin (Anca.Martin@britishcouncil.org) if you have any questions.

Best regards

Karen
