

Are you looking for a career in *Web Development*?

gloversure is an award winning, full-service digital agency. Our in-house development team specialise in custom development and software solutions. We're on the lookout for bright, inspiring minds to help us continue to deliver high-impact digital experiences internationally. We've got exciting opportunities for Graduate/Junior Developers to join our Welshpool and Chester based teams.

How to Apply:

Please submit your CV by email to jobs@gloversure.co.uk
Please include any examples of your work which you feel demonstrates your programming capabilities.

What we can offer *you*:

At gloversure, we foster a workplace where everyone feels they belong. We seek self-driven, dedicated individuals eager to grow. We invest in your career, aligning with your ambitions. Our commitment to personal and professional development encourages goal-setting, embracing challenges, and experiential learning. We are passionate environmentalists, dedicated to sustainability and enhancing employees' lives. Our transparent, judgment-free environment supports open discussions on mental health. We value respect, honesty, and integrity, building strong relationships. Enjoy a 4.5-day work week with Friday afternoons off, promoting better health, reduced stress, and increased productivity. You'll receive personalised tools, resources, and training for continuous growth.

Desirable Skills

- PHP.
- TypeScript/JavaScript (React, Node.js).
- HTML.
- GIT
- Strong communication skills.
- Ability to manage your own workload and work to deadlines.

This role is suitable for a graduate with a relevant degree looking for their first position. This is a fantastic opportunity that will offer you the chance to develop your development skills.
